The Industrial Food s.R.o. company

The concept of our company is ...

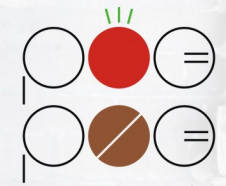

the quality  
and delicious food  
to the market  
for a great price

... to bring

GREAT  
TURNOVER  
=  
GREAT  
PROFIT

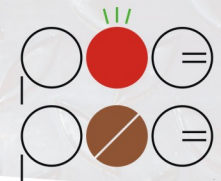

THE MOST MODERN  
TECHNOLOGIES  
= NO CHEF

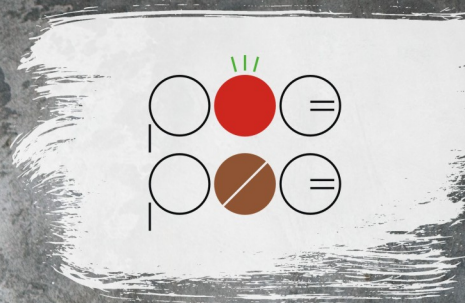

We choose the team  
of enthusiasts

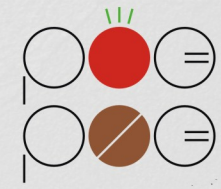

to whom we forward  
our years of experience  
from gastronomy,  
gained mainly from  
USA and Italy.

Our projects are  
created in industrial  
modern design.

We created the modern fast food a proved  
for the first time that it is possible to unite

★★★★★  
quality

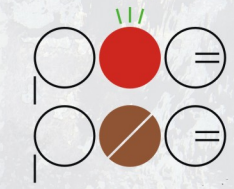

★★★★★
